NADA

Langhe Nebbiolo DOC

- **Grapes:** Nebbiolo 100%
- **Production area:** Southeast and southwest, Treiso.
- **Bottles produced:** 9,000 bottles / year
- **Vinification:** Traditional in stainless steel at a temperature of 28 ° C, frequent pumping over. Maceration of 20-30 days to obtain a fresher and more immediate consumption product despite the structure allowing a life of more than 15 years.
- **Aging:** 8-9 months in 500 liter Allier tonneaux used for a long time.
- **Characteristics:** Delicate rose bouquet with bold red fruits and balanced acidity.
- **Suggestions for consumption:** Grilled beef, roasted chicken, salame, parmesan reggiano
- **Serving temperature:** 17-18°C
